*Get Right
with God!!!*

It is well with my soul.

Mom,

We're thankful to God for allowing us to have a Spirit filled, loving, and dedicated mother. Your Spiritual guidance, encouraging words, and constant prayers shall always be remembered. As your health declined we asked God to let you stay a little longer and he allowed us more time. We will always cherish the good times we had together. As you said, "I had a good life." Letting you go was very difficult, but we knew you were ready. We never imagined that we would lose the two of you so close together (two months and two days), but God was in charge. We can visualize your lovely smile, and you rejoicing with no more pain. One day we will all be together in God's Holy presence. Praise God for the things you have done. Your living was not in vain. We thank God for having a God Fearing Mother.

*Love you always,
Your Son, Daughters and Grandchildren*

If You Could See Me Now

Our prayers have all been answered; I finally arrived. The healing that had been delayed has now been realized. No one's in a hurry—there's no schedule to meet. We're all enjoying Jesus, just sitting at His feet.

If you could see me now, I'm walking streets of gold. If you could see me now, I'm standing tall and whole. If you could see me now, you'd know I've seen His face. If you could see me now, you'd know the pain's erased.

You wouldn't want me to ever leave this place. If you could only see me now. My light and temporary trials have worked out for my good. To know it brought Him Glory when I misunderstood. Though we've had our sorrows they can never compare; What Jesus has in store for us no language can share.

If you could see me now, I'm walking streets of gold. If you could see me now, I'm standing tall and whole. If you could see me now, you'd know I've seen His face. If you could see me now, you'd know the pain's erased.
